## BREED STANDARD

[AKC Pomeranian Breed Standard \(US\)](#) <sup>[1]</sup>

[FCI Pomeranian Breed Standard \(Europe, Asia, etc\)](#) <sup>[2]</sup>

[KC Pomeranian Breed Standard \(UK\)](#) <sup>[3]</sup>

So much have been written on Pomeranians in so many publications that perhaps it would be considered redundant to write something about them. What I would like to do, is to share some of what I have experienced in the breed for the past 32 years, something perhaps, that is not really generic in Pomeranian books. In the process, I hope to give my web visitors, a short cut in learning about pom practicalities ?some trade secrets, some personal insights....

To do this, I have tried to gather all the magazine articles that I have written. This has been achieved with some success, but alas, some, I can no longer find. These, together with the blogs in my earlier webpage will serve as a starting point for a new data base. Classified according to different topics, simply **CLICK...or** do a site search based on these key words.
