

## 81: Japanese Hadleigh #16

Japanese Hadleigh #!6

Ch Madono's Happy Sound is a Superman grandson on the grandfather side and a Superstar granddaughter on the mother side. A lot of breedings of Hadleigh was done in Japan by other breeders since the dogs were at public stud. Many like Happy were exported out of Japan and it was my close friend who bought this dog. Thus, a lot of what I have, like the other Hadleigh greats are behind my pedigrees.
